Apartment living on a grand scale doesn't get any better than this.

The sheer size of the living areas and the bright north facing aspect with district views combine to create a secure, sunny and spacious haven.

Quality full brick construction provides a solid feel and assists with noise and thermal insulation.

Timber laminate floors throughout, freshly painted interiors, split system air conditioning, gas cooking, gas heating provision plus built in wardrobes in both bedrooms all add to the appeal.

Located just a few minutes walk to Toongabbie Train station and shopping plaza, it's superior location promises
