

10 Koorabel Road Lalor Park NSW

With a generous space and refreshing decor, this enormous residence hides behind its modest facade to provide a family home that focuses on relaxed living both indoors and out. Offering a unique, yet practical, floorplan with excellent separation of formal and informal living, it is perfect for both parents and children to enjoy. Effortlessly flowing over 3 split levels the home features 4 bedrooms, main with walk in robe and spa bath ensuite, 2 others with built in robes, formal lounge and dining and large family room with designated study alcove surrounding the exquisite gourmet kitchen with polished floorboards, deluxe main bathroom also with spa bath, ample storage space to the internal laundry and a 3rd toilet. Air conditioning and gas heating outlets are strategically placed through the home to maximise your comfort at all times of the year and energy efficient solar panels plus a rainwater tank will keep your household costs to a minimum. The rear yard provides
